

# Secure, Twice-Yearly Interim Assessments

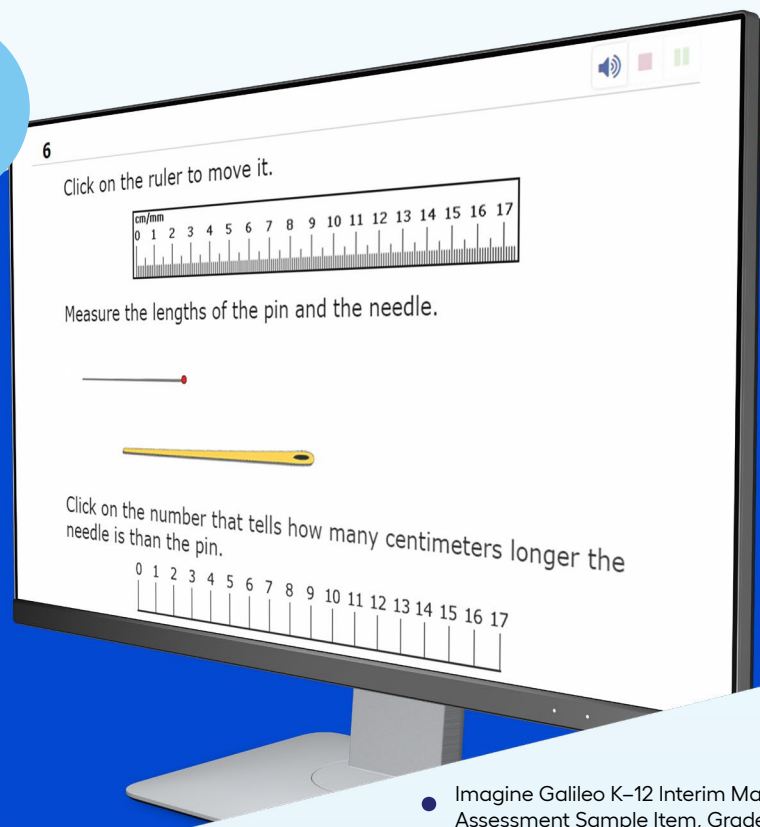

## Get an accurate snapshot of student performance on grade-level standards

Imagine Galileo K–12's secure Interim Assessments offer convenience as standards-aligned, fixed-form assessments intended to provide up to two additional annual data points for instructional guidance on standard(s) being measured. Administer these ELA and math benchmarks as needed in grades 2–12 to complete your balanced assessment schedule.

### Imagine Galileo's Interim Assessments include:

- **Unique assessment items**
  - Approximately 35 per test
  - Unavailable for use with any other test or item bank
- **Detailed reporting**
  - Number and percent correct
  - Standards mastery data

Reach out today to launch  
your Imagine Galileo K–12  
assessment journey.
