## Class Tokens Earned

August

September

October

November

December

January

February

March

April

May

June

July

To track the tokens your class earns, click the Customize button on the Usage Overview report to add the column Avg Tokens Earned. Alternately, you can calculate the total tokens earned by customizing the studentlevel Usage Overview report, adding the Tokens Earned column, exporting the report, and totaling the Tokens Earned column.

Mark one box for each lesson passed in the program.

Student Name	Lessons Passed																														
					5					10					15					20					25					30	
					5					10					15					20					25					30	
					5					10					15					20					25					30	
					5					10					15					20					25					30	
					5					10					15					20					25					30	
					5					10					15					20					25					30	
					5					10					15					20					25					30	
					5					10					15					20					25					30	
					5					10					15					20					25					30
