imagine plus screener

What's New for Imagine+ Screener MOY

The Middle of the Year Imagine+ Screener assessment introduces new subtests. Read below for more grade-level information & best practices.

Pre-Kindergarten MOY Subtest & Best Practices

First Sound Matching

Don't forget about **At-Home Resources** in the Help Center! Extend learning beyond the classroom and provide resources for caregivers to reinforce skills through practice at home.

Kindergarten MOY Subtest & Best Practices

Potential for Word Reading: Blending and **Word Reading—**updated algorithm for Middle of the Year. Focus is still on Phonemic Awareness and early word recognition.

Word Reading and Nonword Reading

New for 2025-26, these subtests are offered in MOY and can help identify students who are not on track for meeting EOY benchmarks.

Object RAN Retest Option

If students scored **Invalid** or **N/A** for BOY, they will see the RAN subtest again at MOY. For all others, RAN can be retested using **Unlocked Mode** to unlock the gameboard and show all subtests, including RAN.

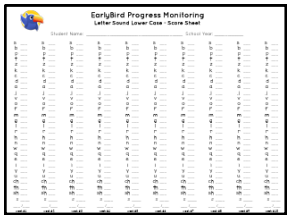
What's New for Imagine+ Screener MOY

The Middle of the Year Imagine+ Screener assessment introduces new subtests. Read below for more grade-level information & best practices.

Grade 1 MOY Subtest & Best Practices

Letter RAN Retest Option

If students scored '**Invalid**' or '**N/A**' in BOY, they will see the RAN subtest again at MOY. For all others, RAN can be retested using **Unlocked Mode** to unlock the gameboard and show all subtests, including RAN. This is a great option for students who did not have mastery over letter names in BOY.



EarlyBird Progress Monitoring
Letter Sound Lower Case - Score Sheet

NO Letter Sound Subtest in MOY: Progress Monitoring materials are available to keep track of progress for students who are still developing sound-symbol correspondences with consonants, short vowels, and consonant diagraphs.

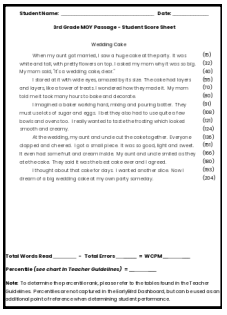
Grades 2 and 3 MOY Subtest & Best Practices

Letter RAN Retest Option

If students scored '**Invalid**' or '**N/A**' in BOY, they will see the RAN subtest again at MOY. For all others, RAN can be retested using **Unlocked Mode** to unlock the gameboard and show all subtests, including RAN. This is a great option for students who did not have mastery over letter names in BOY.

Oral Reading Fluency

Use **paper/pencil materials** to gage reading success with grade-level passages and **Reading Comprehension** to determine how well students are understanding grade-level texts.



Student Name: _____ Date: _____

3rd Grade MOY Passage – Student Score Sheet

Wedding Cake

Total Words Read _____ – Total Errors _____ = WCPM _____

Percentile (*see chart in Teacher Guidelines*) = _____

Note: To determine the percentile rank, please refer to the tables found in the Teacher Guidelines. Percentiles are not captured in the EarlyBird Dashboard, but can be used as an additional point of reference when determining student performance.
