Subject: _____ Learning Walk Observations and Recommendations

Date of Visit

Section 1: Overview	1
Section 2: Context and Priorities	1
Section 3: Learning Walk and Coaching Summary	2
Section 4: Classroom Observations and Recommendations	2
Section 5: Professional Learning Recommendations	3
Section 6: Additional Information	3

Section 1: Overview

This report summarizes observations from a recent visit to _____, where the implementation of Imagine Learning StudySync was reviewed across grades _____. The visit provided an opportunity to examine implementation, analyze observational data, identify trends, and establish goals.

Section 2: Context and Priorities

Conversations with instructional leaders helped identify key goals and priorities, providing a foundation for observations and next steps.

Key priorities identified for this visit include:

- _____ : *Brief description:*
Priority 1

- _____ : *Brief description:*
Priority 2

Section 3: Learning Walk Summary

During the visit, classrooms across grades _____ were observed to gather insights on implementation. In the debrief, participants analyzed patterns and used the Action Plan Protocol to identify priorities and outline next steps.

Some key takeaways from the Learning Walk include:

- Patterns:

- Priorities:

- Commitment to Action:

Section 4: Classroom Observations and Recommendations

We are grateful to all the teachers who welcomed us into their classrooms for the Learning Walk. The chart below highlights key observations from each classroom, along with a practical suggestion that can be applied as soon as tomorrow.

Please Note: To maintain confidentiality and foster trust, we suggest sharing feedback and recommendations exclusively with the teacher they pertain to.

Teacher	Observational Notes	Suggestion

Teacher	Observational Notes	Suggestion

Section 5: Professional Learning Recommendations

To support ongoing implementation, the following professional learning opportunities are recommended:

- _____ :
Training Workshop 1

Audience and Purpose:

- _____ :
Training Workshop 2

Audience and Purpose:

- _____ :
Training Workshop 3

Audience and Purpose:

Section 6: Additional Information

We appreciate the collaboration and insights shared during this visit and look forward to our next Learning Walk scheduled for _____. Please reach out with any questions or support needs in the meantime.
